R. L. POLK & CO.,
Directory Publishers

Dr. Johnson, of dictionary fame, said that a man should keep his friendship in constant repair, emphasizing the learned doctor, every concern should keep its list of customers in constant repair.

New customers must be obtained to replace those who discontinue because of reasons beyond control. The most efficient way of getting new customers is through the R. L. Polk & Co. Mail-List Service. Ask for details.

Dr. Johnson, of dictionary fame,

said that a man should keep his

friendship in constant repair. Par-

aphrasing the learned doctor, per-

sons should keep his list of custom-

ers in constant repair.

New customers must be obtained to

replace those who discontinue be-

cause of reasons beyond control. To

assist clients in getting new custom-
